Subject: Possum Point Underdrain Pump Station; Station Sanitary Pump Upgrade CONFERENCE CALL
Location: Respective Offices
Start: 11/19/2015 8:30:00 AM
End: 11/19/2015 9:30:00 AM
Show Time As: Busy
Recurrence: (none)

Attached is an agenda for your preparation; please note that we likely won't go into this much detail within the time frame but it is provided for your reference as you see fit. I also attached an excel file that goes into further "breakdown" of the various modeled scenarios, and includes estimated pre and post flows and total net flow to PWCSA. Should you have any additional agenda needs, please let us know at your earliest convenience.

Please let us know if you can attend a conference call meeting to discuss the Pond D Underdrain Pump Station and potential upgrade to the Station Sanitary Grinder Pump.
